

PUBLIC NOTIFICATION CONTACT INFORMATION

PLEASE TAKE A FEW MOMENTS TO READ, COMPLETE AND RETURN THIS FORM.

As detailed in the *Water Currents* newsletter, the Authority is planning to implement a system that provides the ability to communicate specific information by recorded voice message in both emergency and non-emergency situations to the phone number supplied. Relayed information examples include: system-wide emergency, localized water main break or a temporary interruption of service due to construction or repair work.

Please add North Penn Water Authority to the list of entities you provide with updated contact information as it changes. Only with your cooperation can we ensure you are contacted in a timely matter should the need arise.

Please return the below portion with your bill stub and payment, or if you prefer, you can e-mail us the information at info@northpennwater.org or call a NPWA customer service representative at **(215) 855-3617**.

The only purpose for which this information will be used is to contact you regarding Authority issues, and will not be shared with anyone for any other purpose.
